I understand that the school is legally authorised to gather students' personal information for the purpose of fulfilling its functions. I agree that the information may be released to appropriate agencies when required. Address and phone number details are collected at the time of enrolment and during the student's time at school so that the school can contact the parent or student as necessary. These contact details may also be passed on to the Ministry of Education and the Ministry of Social Development (MSD). This is so young people who may have difficulty finding future employment, training or further education can be identified and offered support by organisations contracted by MSD to help re-engage young people in education or training when they leave school.					
I give permission for photographic and video images of my son to be used for in house training or promotional purposes.					
I agree to abide by the rules of discipline, attendance, fees, books, use of digital technologies, uniform and all other matters concerning the welfare of my son at the school. I give permission for the student enrolled to participate in off-site programmes of learning and sports events that are deemed low risk and part of the curriculum by the Rector or his Proxy. I understand that the school will identify any foreseeable risks or hazards relating to this type of activity and implement correct management procedures to eliminate, isolate or minimize those hazards.					
I know that I am able to ask any questions of the school about the activity my son will be involved in, to gain a better understanding of the risks involved. I acknowledge that at times the school may need to take rapid action for my son's welfare without recourse to us.
