

Junior Homework Timetable 2016

- Homework should be set twice a week for the core junior subjects, on the nights shown.
- Option subjects will set homework when deemed necessary and so on some nights your son may have three sets of homework, or very occasionally four. However, it is extremely unlikely that these will all be due in the next day.
- Each subject's homework should be approximately 30 minutes in length and should be a planned activity. Feedback can be expected to be given to your son regularly.
- As always please keep in touch with the school regarding any issues with homework. In the first instance any questions should be directed to your son's class teacher (firstname.lastname@obhs.school.nz) e.g. richard.hall@obhs.school.nz
- Mr Taufua is the dean of Year 10 and can be emailed on enoka.taufua@obhs.school.nz
- Mr King is the dean of Year 9 and can be emailed on andrew.king@obhs.school.nz
